

How to Join the Fun...

It is very easy to join 4-H. All we need to know is your name, address, and age. You can join a club in your area or be a lone member (do the project on your own). There is a charge of \$5.00 per member or \$15.00 per family to be in 4-H.

Name(s): _____

Phone: _____

My interests are in:

Mailing Address: _____

Please check all that apply:

- I would like to join a club.
- I would like to be a lone member.
- My family would like to start a new club. (Five members that are 7 to 19 years old — required.)
- Start a Cloverbud clubs. These children are 5 to 7 years old.
- I have questions about 4-H, please give me a call. (Be sure to list phone number above)
